e-Admission Notification 2021-2022

It is hereby notified for all concerned that we have completed the 4th phase of e-admission process by publishing individual merit lists for each phase. As we still have some vacant seats after the 4th phase, it is decided to introduce a **WILLINGNESS BASED-eADMISSION PROCESS** to rapidly fill up the vacant seats. All the remaining applicants whose name has not yet been published in any eAdmission lists will be given a scope to exercise their willingness option for e-admission to this institute. The students exercising their options will be given the scope to take admission on the basis of availability of seats and strictly on the basis of rank and merit. So, mere exercising this option does not give any guarantee of admission to any applicant to this institute. The admission is entirely dependent on merit and the availability of seats. The procedure of exercising the willingness based e-option is detailed as follows:

- 1. Applicants should login to their account and express their willingness to take admission.**
2. Only the applicants having the waiting ranks after the 4th Phase e-Admission will be regarded as eligible to exercise their willingness.
3. The above-mentioned candidates who are willing to take admission in various honours subjects have to login to their account and place their willingness in the Admission Portal of the College.
- 4. The tab for placing willingness will remain active in their respective Account from 19.09.2021 (12:00 noon) to 20.09.2021 (midnight).**
5. A category-wise merit list (**WILLINGNESS BASED MERIT LIST**) will be prepared from the willing candidates and it will be published in the Admission portal on **21.09.2021. The 5th Phase eAdmission list will be published on the basis of this WILLINGNESS BASED MERIT LIST according to available vacancy and strictly on the basis of merit.**
6. Mere expression of willingness does not guarantee admission. Applicants will be given the chance for admission as per their merit and availability of seats in each subject.
7. Eligible candidates will have to take admission paying requisite fees within the stipulated time which will be notified later in the Admission portal.

The willingness based admission process is initiated for accelerating the admission process as there is no time left for continuing with separate merit list based admission.
